NARRATIVE CONTINUATION

On Saturday August 9th 2014 at approximately 1617 hours, dispatch received a call from [REDACTED] of [REDACTED] in Burke PA, who stated she witnessed a motor vehicle accident at the Unadilla Racetrack, where a gray vehicle with New York registration GPR6493, struck 2 vehicles before leaving the scene of the accident. Young stated the operator was intoxicated.

While I was in route to the accident scene, dispatch ran the plate of the vehicle involved in the motor vehicle accident. The plate came back to a 2000 Honda color gray registered to Michael Gincerowski of Binghamton, NY. New Berlin Police Department Officer in Charge, Andrew Wheatley, stated he was on State Hwy 8 in the Town of New Berlin and would attempt to locate the 2000 Honda.

At approximately 1645 hours, OIC Wheatley stated he was behind the gray Honda southbound on State Hwy 8 in the Town of New Berlin. OIC Wheatley stated he pulled the vehicle over after he confirmed the vehicle in front of him had a New York registration of GPR6493. At approximately 1650 hours, I arrived at the location of the vehicle stop and interviewed the operator of the vehicle, identified as Michael Gincerowski of 82 Rte 369 in Binghamton, NY.

Upon initial contact with Michael, I observed Michael had the strong odor of an alcoholic beverage on his breath, blood shot eyes and impaired motor coordination as Michael was swaying from side to side. Upon speaking to Michael, I noticed Michael had impaired speech as Michael was slurring his words as he spoke to me. Michael asked why he was being stopped and I advised Michael he was stopped due to his involvement in a leaving the scene of a motor vehicle accident and a witness obtained his license plate. Michael stated he did strike a vehicle in the parking lot of the Unadilla Racetrack or on the shoulder of State Hwy 8, but Michael states he gave the operator of the other vehicle his insurance information. Michael was unable to provide the information of the other vehicle involved, stating he must have lost the paperwork. I asked Michael to retrieve his drivers license and insurance card from the vehicle and again observed Michael with impaired motor coordination as Michael used the drivers side of his vehicle to steady himself and Michael shuffled his feet as he walked. I observed damage to the front passenger side quarter panel of his vehicle, which appeared fresh. I asked Michael how the damage to his vehicle happened. Michael stated from the accident at the racetrack.

I asked Michael how many alcoholic beverages he had consumed today. Michael stated 5 - 12 ounce Coors Light beers over the course of 5 hours. I asked Michael if

he would submit to field sobriety tests to determine his intoxication level. Michael was hesitant at first, but then agreed, stating every time he has taken field sobriety tests, it has resulted in his arrest for driving while intoxicated. I asked Michael how many time he has been arrested for driving while intoxicated. Michael stated a number of times and one time the arrest was a felony. I asked Michael if he had any medical conditions or physical limitations that would prohibit Michael from taking the tests. Michael stated no.

The first test administered was Horizontal Gaze Nystagmus. Michael failed this test by exhibiting 6 clues, lack of smooth pursuit, maximum deviation and Nystagmus prior to 45 degree.

I asked Michael to perform the One Leg Stand. Michael refused to perform the test, stating "I'm fucked, because this is a felony". I asked Michael what that statement meant. Michael stated "I'm drunk and I would just be wasting your time, just arrest me".

I asked Michael if he was willing to perform other field sobriety tests or submit to a breath screening device. Michael refused to perform any other tests and refused the breath screening device.

At approximately 1700 hours, I placed Michael under arrest for driving while intoxicated and read Michael is Miranda and Chemical test warnings. When asked if he would submit to a chemical test of his breath for alcohol, Michael stated "No".

At approximately 1745 hours while en route back to the station on Hale St in the City of Norwich, I read Michael is Chemical test warning again. Michael refused a second time and stated "If I had a designated driver, I would not have drove in my condition".

Once back at the station at approximately 1820 hours, I read Michael is Chemical warnings a third time. For a third time, Michael refused to take a chemical test by stating, "No, its not going to matter".

Michael was arraigned in the Town of New Berlin court for Felony driving while intoxicated, refusal to submit to breath screening device, open container in motor vehicle and leaving the scene of a motor vehicle accident.

Michael was remanded to the Chenango County Correctional facility on 1,000 cash

bail and is to re-appear in the Town of New Berlin court on August 13th at 1400 hours

On Sunday August 10th 2014 at approximately 0945 hours, I spoke to [REDACTED] via land line, who stated she was at the Unadilla motorcross races with her boyfriend when a gray Honda almost hit her vehicle and then struck two vehicles as the gray Honda was leaving the parking lot. [REDACTED] stated the gray Honda stopped, so she approached the driver, later identified as Michael, and asked what he was doing. [REDACTED] stated she believed Michael was intoxicated and she did not see Michael exchange information with the other drivers of the vehicles Michael hit before leaving. [REDACTED] stated she got the plate number of the gray Honda because she felt Michael was intoxicated and might get into another accident in his intoxicated condition and hurt someone.

Closed with arrest.
